

The image is a technical drawing of a PCB layout. It features a rectangular board with a complex left edge that includes several notches and rounded corners. There are four large circular pads at the corners: top-left, top-right, bottom-right, and a smaller one on the left edge. Additionally, there are several smaller circular pads and two pairs of small circles along the left edge. The text 'CORALVUE DUAL PUMP DRIVER REV B' is centered on the board.

CORALVUE
DUAL PUMP
DRIVER
